

Company Description:

AJ Blosenski, Inc. is a family owned company that operates in south eastern Pennsylvania and the northern Delaware region. We provide waste and environmental services to over 100,000 customers in those areas with a large modern fleet. We are committed to striving for excellence in all phases of our operation and maintaining professional customer service and a strong healthy work environment.

When you join the AJB Team, you will be joining a team that has been a leader since 1984 in the waste industry that will include joining a family of more than 230 employees and a fleet size greater than 135 modern trucks.

A driver for the AJB team will be joining one of the best professional driving teams in the region. The AJB team has continually won driving "skills" competitions and we have been recognized and known for many years as having the finest, cleanest and highest quality equipment. All of our drivers are well trained and receive continual training in driving safety to maintain the best reputation in the region. With all that being said, you will be rewarded with one of the most competitive compensation packages in our industry and with an opportunity for growth with the AJB team.

Job Summary: (Roll-Off Driver)

Roll-Off Drivers are responsible for preparing, securing and the eventual transport of open top and compactor containers to various disposal sites which include landfills, transfer facilities and the various customer jobsite locations. Roll-Off Drivers will need to navigate driveways, alleyways, job sites and traffic filled roadways. This may also entail operating in tight environments, backing up long distances such as private driveways as well as heavy industrial and crowded city environments.

Duties and Responsibilities:

- Operate vehicle in accordance within the AJ Blosenski Inc., Safety Rules, OSHA (Occupational and Safety Health Act), DOT (Department of Transportation) as well as all local, municipal, state, and federal laws.
- Perform pre- and post-trip inspections of assigned equipment.
- Report any unsafe situations or service related issues to dispatch.
- Report any incidents, accidents, injuries, or property damage to dispatch.
- Report service problems, blocked containers, or any potential safety hazards.
- Report all containers damaged and in need of repair.
- Must attend and participate in all training and safety programs.
- Communicate with dispatch to improve route production and communicate the best way to perform your duties.
- Communicate any customer requests with dispatch.
- Complete and submit work orders and driver logs as required.

- Expected to deliver and return containers to a customer's property in a position that ensures the safe and proper operation of the container. Ensure driveway entrances, mailboxes or other traffic thruways are not blocked.
- Must follow the route as assigned by dispatch and understand the customer's needs.

Qualifications:

The requirements listed below are qualifications necessary to perform the job.

A. Experience

- Experience: 2 year(s) of previous experience operating a CDL vehicle requiring a CDL or equivalent military driving within the last 7 years.
- The applicant must be 21 years of age.
- Hold a current Class A or B Commercial 'Driver's License with an air brake endorsement.
- Acceptable driving record required.
- Successfully complete a pre-employment DOT drug screen, physical, and background check, which will include previous employment check, criminal history and motor vehicle record review.

Compensation:

- You will receive a competitive complete compensation package.
 - Hourly rate of pay.
 - Medical, Dental, Vision, Life Insurance and Short-Term Disability.
 - Company match on 401K.
 - Paid Vacation, Holidays, and Personal Days.
